User Information

ConvertAble™ Comfort

Unparalleled comfort and softness

- **The SoftGel difference**— A DoubleGel™ cushion with the soft clear gel layer feels unbelievably comfortable and snug. The blue gel layer adds support and stability.
- **Correct fitting has never been easier**— Mirage™ SoftGel adjusts easily to the contours of your face to provide a leak-free seal. The MicroFit dial and adjustable straps let you customize your fit.

Renowned durability and quiet

- **Designed to last**— ResMed's design quality and durability are first-class and supported with a comprehensive user package including user guide, mask fitting and care instruction.
- **Ultra-quiet therapy**— Mirage SoftGel is exceptionally quiet, providing a good night's sleep for you and your partner. An innovative array of tiny vents is designed to diffuse air quietly.
- **User preferred**— Rated more comfortable and durable than other gel masks by 8 out of 10 users¹

ConvertAble freedom and choice

- **It's never been simpler**— One durable frame is compatible with both SoftGel and Activa™ LT cushions. This gives you comfort and durability, plus the freedom of choice that only a ConvertAble mask can bring.
- **More from ResMed**— Mirage Softgel is ideal for use with the ResMed range of advanced sleep therapy systems.
