

# Pride® Lifts

*Mobility Made Easy*

## Commander 450

**NEW!**

The newly redesigned Commander 450 exterior powered boom style lift is the perfect user-friendly lift option for pickup trucks that provides fast loading and unloading of your mobility device. Standard with a 450 lb. lifting capacity for heavier power chairs and scooters, it is available in 2 and 3 axis. This lift delivers maximum durability, with the ability to lift and lower your mobility device to the ground over the truck's tailgate.
